CONSENT FORM FOR SURGICAL PROCEDURES REGARDING SMOKING

Patient: _____ Age: _____

I am not a smoker; I quit _____ months or _____ years ago.

Patient: Signature: _____

Date: _____

I have been advised by Dr. Gavin Dry/Dr. George Min and their staff that I must not smoke or take nicotine substitutes for a minimum of six (6) weeks before my surgery. I have also been advised that being in the presence of secondhand smoke can compromise my surgery and its outcome.

It has been explained to me that the risks of surgery are much greater for smokers and even if I am off cigarettes for six (6) weeks before and after surgery I may still experience the effects of nicotine.

There is greater risk in smokers for bad scarring, hematoma formation, intraoperative bleeding, bleeding, poor or delayed healing, hair loss, sloughing of the skin (skin loss), infection, increased or prolonged bruising and hyperpigmentation.

I ACKNOWLEDGE THAT I HAVE READ AND FULLY UNDERSTAND THE ABOVE CONSENT TO OPERATE, THAT THE RISKS HAVE BEEN FULLY EXPLAINED TO ME AND I WISH TO PROCEED WITH SURGERY.
